

TRAILER-MOUNTED SPEED FEEDBACK SIGN

Designed for maximum autonomy, the SP-710V Trailer-Mounted Speed Feedback Sign is ideal for your awareness campaigns.

The two-digit LED display grabs motorists's attention and helps lower speeds.

Managing the unit is easy with our intuitive V-Touch Controller. Robust, compact, and MUTCD compliant, the SP-710V can be deployed quickly and easily in high-risk areas

V-TOUCH CONTROLLER

EASY TO READ

7-inch (178 mm) color LCD touchscreen display

INTUITIVE ICONS

Quickly select speed parameters + flashing beacon mode option

BACKLIT SCREEN

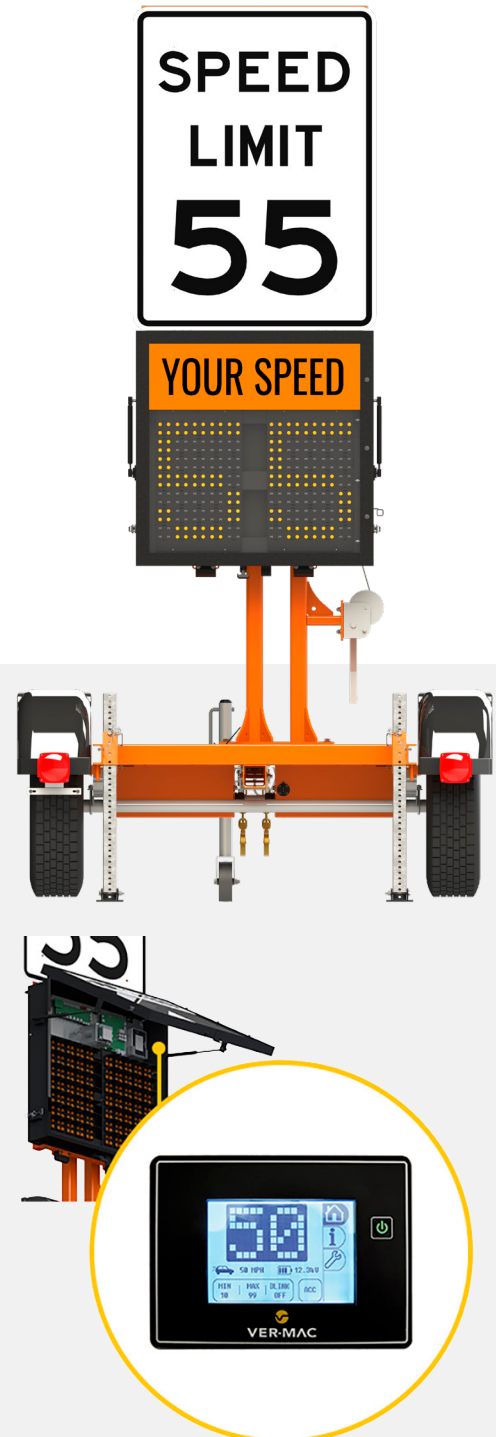

Perfect for nighttime use

REAL-TIME DISPLAY

View speed display, battery voltage level and other key elements

APPLICATIONS

- Law enforcement
- Speed awareness
- Traffic studies
- Connected work zones
- Smart work zones

OTHER FEATURES
